2018 REVIEW

Member Clubs	23
Number of Grades	120
Number of Teams	1,230
Playing Participation Numbers	14,035
Coaching Participation Numbers	759
Referee Participation Numbers	261
Goals Scored	26,304
Yellow Cards	4,191
Red Cards	363

With this season holding on to the highest participation numbers on the coast with a total of 14,035 registered players. Terrigal United Football Club has the most registered players with 1,409 and East Gosford Football Club close behind with 1,129.

Central Coast Football would like to take this opportunity to thank every Player, official, coach, manger, volunteer, parent and supporter for their continued support and passion towards Football on the coast.

CHAIRMANS REPORT

With all CCF games completed its time to reflect on yet another successful year of football. With one of the driest seasons in history, there were minimal catch up games or rescheduled fixtures to the delight of the CCF Competitions team.

Thank you must go to the Board of Directors for your contribution this year and to CEO Darren Sprod and the team at CCF, once again you have delivered an outstanding competition. Pluim Park was presented in impeccable condition and is one of the best football facilities in the state. As we speak upgrades to the facility will see Pluim Park raise to even higher standards.

Whilst there are many things to celebrate, we face challenges that need to be addressed. With a volunteer base that is in decline, how to engage the next generation to become involved is paramount. Without volunteers to meet CCF requirements the need for paid people is not far off; only to increase the cost of playing football.

Previous work in partnership with Central Coast Council seems to have been in vain as we face reduced field usage. The need to reduce the reliance on council grounds is required to guarantee we can accommodate the growing number of footballers. How this can be achieved is a strategy that needs further development, with a view to future growth.

This year there was a shortage of referee coverage initially, but with a mid-year recruitment drive there was an increase in referee numbers particularly covering senior games. We must continue to recruit and retain as many referees as possible to ensure the percentage of games officiated by qualified referees increases year after year.

Thank you to all volunteers representing our 23 clubs, your input and commitment to our game and its players is something to be admired and would be impossible without you.

I wish everyone the very best for the festive season and look forward to the 2019 football season.

Yours in sport

Brett Scrine, Chairman

CEO REPORT

It was another year of growth for Football on the Central Coast as our registration numbers surpassed 14,000 for the first time. The final year end number sat at 14,046. As this growth continues we still have major challenges around grounds to play football on.

This year for the first time in a couple of years we saw our referee numbers increase and as the game grows the need for more referees continues. I would like to thank those on the first referee's council for the guidance in particular Warwick Barwell and Richard Lorenc for driving the referees in 2018.

This year CCF were able to get a grant from the Federal Government to allow us to upgrade Pluim Park and this work will continue over the summer months and by the time the 2019 season starts the facilities at Pluim will be significantly upgraded.

I would like to thank the staff and directors of CCF for their continued support in running Football on the Coast. This year has seen a change in the Board and over the season we also had the Chairman change, and in April Brett Scrine took on the role of Chairman.

Most importantly I want to thank the volunteers in all our clubs, the players, referees and people in football on the Central Coast that make the game happen week in week out. Without you there is no game and your continued support is invaluable.

I wish to all a great Christmas and a relaxing holiday and look forward to seeing you all in 2019.

Regards,

Darren Sprod, CEO

NORTH v SOUTH

Following on from the success of last year's North V South match, Central Coast Football again proposed a North v South match consisting of the top 32 Players from the Battlewin Premier League & also introduced the same format to the Sea FM Women's Premier League These games were to be held on Monday 11th June, 2018 however the weather gods were against us & the games unfortunately were not played.

BATTLEWIN PREMIER LEAGUE

With the expansion from 10 to 12 clubs the 2018 BPL competition was the longest ever in CCF's history. The combination of 22 rounds and a top-five finals series meant that it was possible for a team to play a total of 26 matches. Despite the extra demands the format met with a positive response from most clubs although the early start to the season and interest by clubs in entering the FFA Cup unfortunately led to the demise of the long-established Central Coast Cup.

The big improvers of the season were Terrigal, Southern-Ettalong and Kanwal who all reached the semi-finals after long gaps. Indeed, it was only the second appearance ever in the play-offs by Terrigal and Kanwal. All three were eventually eliminated leaving the much more experienced Killarney District and Berkeley Vale to play off for the premiership.

Once again, the season was dominated by Killarney District who became the first club ever to achieve the 'triple/double' – first grade league champions and premiers in three successive seasons. They also took out the league titles in both lower grades along with the third-grade premiership meaning that they've now won 10 of the 12 available BPL titles in the past two seasons.

AVOCA went into the season with high expectations following a spectacular finish to the 2017 season that saw them overcome a poor start to narrowly miss out on a semi-final spot on goal difference. That strong form was carried into 2018 with six wins and two draws from their first nine matches having them sitting in second spot at one stage. Unfortunately, a string of four straight losses halted their momentum and they gradually slid down the ladder to eventually finish in a disappointing seventh place. Congratulations to Stuart Adams on taking out the BPL Player of the Year award for the second successive season.

BERKELEY VALE continued to be a major contender reaching the semi-finals for the ninth time in the past 10 seasons. With eight wins from their first 10 matches they were snapping at the heels of competition favourites Killarney before three straight losses effectively ended their challenge for the league championship. Eventually finishing third they defeated Terrigal in the qualifying final and then went straight through to the grand final with an upset win over the Terriers in the major semi-final. Sadly, for the Wombats the result went the same way as their previous five grand final appearances but with the consolation of taking out the reserve grade premiership for the third time in the past six seasons.

Former premiership winning Umina coach Chris Powell took over the reins at **EAST GOSFORD**. They struggled for consistency through and were never able to string together more than two back-to-back wins at any time. Despite this they fell just one point short of making the play-offs in fifth place although, in a positive sign for their future, they did qualify in both lower grades. Individual highlight of the season was Rob Walton's becoming the first MPL player on record to win successive Golden Boot awards.

After three highly-successful seasons that saw them win a league championship and reach three grand finals **GOSFORD CITY** slipped down to mid-table largely through the loss of a number of key players to the new Central Coast United State League club. After losing each of their first four matches they rallied with four wins from their next four before a

horror run of nine winless matches put paid to any chance of reaching the semi-finals although they were able to comfortably avoid relegation.

Returning to Premier League for the first time since 2013 the major target for **KANWAL** was to cement their spot in the top competition. By midway through the season this goal had been reached leaving them with the next goal of a semi-finals berth. A team without stars the Bulls showed a never-say-die attitude throughout the season highlighted by matches against Killarney and SEU where they fought back from 3-1 and 4-1 deficits for draws. These two points proved to be decisive in them reaching the finals for just the second time in the club's history. Although beaten in the elimination final it was an excellent season and a fitting tribute to retiring coach Brad Porter, himself a former Kanwal junior.

KILLARNEY DISTRICT entered the 2018 BPL season as one of the shortest-priced favourites ever following back-to-back league championship/premiership doubles in 2016 and 2017. The league title was never really in doubt and with just one loss in 22 matches it was eventually sealed with four matches to spare. A 3-1 loss to Berkeley Vale in the major semi-final was followed by a hard-fought 3-2 win over Terrigal before the tables on the Wombats with a 4-2 win in the grand final. Such is the depth of young talent in the Killarney club that it's hard to see anyone halting their momentum in the immediate future.

After narrowly surviving relegation **KINCUMBER** started 2018 confidently with a draw against Terrigal and a win over Toukley. Unfortunately for the Roo's that latter result was to be their only win of the season and it was all downhill from there with two draws and 18 defeats in their other 20 matches.

SOUTHERN-ETTALONG were another of the big improvers of 2018 finally showing the consistency that their coach Dale Eggleton has been searching for in the four seasons since their return to Premier League. Their eventual tally of 40 points doubled that of 2017 (albeit with four extra matches) and saw them finish in fourth place and into the finals for the first time since 2006. They recorded 12 wins, four of them against the teams that finished ahead of them including Killarney District's only loss of the season, two over Terrigal and one over Berkeley Vale. Unfortunately, Terrigal turned the tables eliminating them in the minor semi-finals. Coach Eggleton's long commitment to his team saw him take out the 2018 BPL Coach of the Year award.

But for the competition expansion **TERRIGAL** would have been relegated after finishing second last in 2017. As it was, they made the most of that reprieve by turning in what was easily the best performance in the club's history finishing in second place and going within one match of reaching a first ever Premier League grand final. Under new coach Martyn Griffiths the young, fast and enthusiastic team were beaten just once during the second half of the season and look likely to be one of the teams to beat in 2019.

THE ENTRANCE was another club that lost important players to Central Coast United and their fortunes ran parallel to that other club, Gosford City, throughout the season. Like Gosford they opened the season with four straight losses and never threatened the top five at any stage eventually sharing 8th place with Gosford. They did take the opportunity to blood a large number of young players with a view to future seasons.

After their specular return to Premier League in 2016 where they reached the semi-finals **TOUKLEY-GOROKAN** have slid back down the ladder, finishing seventh last season and then after losing their first nine matches in 2018 only avoiding relegation with a final round win over Umina.

UMINA went into 2018 confident of at least going some way towards regaining their status as the Coast's most successful ever Premier League club. A first round win over Kanwal was a promising start but from then on everything

that could go wrong did so with a mounting injury toll and a string of narrow losses leading to a final round loss to Toukley in what was a relegation shoot-out seeing them finish second last and back into Division One in 2019.

Avoca Football Club
Battlewin Men's Premier League Player of the Year Stuart Adams

SEAFM WOMENS PREMIER LEAGUE

GOSFORD CITY FC had an extremely successful season with their 1st & Reserve grade team's finishing top of the table and both being crowned League Champions, they then went on to win the SeaFM Women's Premier League 1st Grand Final 2-0 against Umina United. Gosford were strong all season, going through 1st grade undefeated and only losing 3 games in reserve grade. We are looking forward to seeing if Gosford continue their dominance next season.

UMINA UNITED SC finished second in 1st grade & 3rd on the table in reserve grade showing they are still a force to be reckoned with in women's premier league. 1st grade went on to compete in the Grand Final but was unfortunately beaten by a strong Gosford City. Umina now look towards next season to build on what was a very respectable year.

TERRIGAL UNITED FC had a much-improved season from 2017 finishing 3rd on the table for 1st grade and 2nd in reserve grade. They continue to build and loom as a bit threat for next season. If they can retain the pool of talent they have, it will be interesting to see how competitive they can be.

SOUTHERN & ETTALONG UNITED FC 1st grade ended up finish 4th in the 2018 season with 10 wins, 3 draws & 8 loses. Their reserve grade finished 6th. With a top 4 finish in 1st grade Southern will look to strengthen their squad to be able to compete with the top 3 teams moving into the 2019 season.

KANWAL WARNERVALE ROVERS FC was mid table in both 1st & reserve grade. A lot of positives can be taken out of the 2018 season with both teams, only a matter of points behind the main contenders in the competition. Kanwal has not had an SWL squad since 2015 so keep an eye out for them in 2019

WOONGARRAH WILDCATS FC looked to improve off a solid season in 2017 but were a bit below expectations this year. 1st grade finished 6th with only 5 wins & reserve grade at the bottom of the table. They will look to rebuild to be more competitive in the 2019 season.

EAST GOSFORD FC

East Gosford had a solid season in reserve grade finishing in 5th with 8 wins but were outclassed in 1st grade only managing 7th place on the table with 3 wins. Another squad who may look to make changes for next year to begin the climb up towards the top of the ladder.

KINCUMBER ROOS FC

A tough season for Kincumber who finished on the bottom of the table in 1st grade with only 2 wins and 7th in reserve grade with 3 wins. Football is not always about winning and we hope the girls enjoyed their time on the park and come back bigger and better next season

REFEREES REPORT

We started the year with 208 referees, a slight increase (8) on 2017. We unfortunately lost 41 referees from 2017 and trained 49 new ones in the new year. In July, thanks to the Email initiative of Darren Sprod and staff, another 50 referees came on board. We ended 2018 with 258 active referees and 4 inactive members.

Richard Lorenc, Referee's Technical Director, trained 99 new referees over around 5 weekends during the year as well as running 8 monthly seminars and several level-upgrade courses for the referees wishing to better themselves. He also completed 52 on-field assessments to further educate the members.

Warwick Barwell, Referee's Manager. This was a new position created to control and report on some of the individual arms of the referee's organisation such as record keeping, assessments and Assessors, development reporting on new referees and the Development Officers, and to assist the Referees Council in referee advocacy, recruitment and retention.

Martin McNab, Appointments Officer. Marty designed, with some help from his friends, a new type of software to appoint referees. He then put it to work, appointing our referees for the year. This is the most difficult part of any refereeing body and meshes in with education, assessment, promotion and development.

The Referees Council, an elected body of 5 referees who helped arrange the new Referee's uniforms, set out some very good recruitment and retention ideas and helped with training and seminars. This was, an innovation, that may need some further ground work to allow it to blossom into a useful tool.

We used 6 Assessors, who carried out 131 full assessments for CCF as well as assessing our referees on matches played in New South Wales competitions where both the Mariners and Central Coast United competed.

Our 6 Development Officers were tasked with on-field development of those 99 new referees. This is a most difficult job, attending fields all over the Coast, mentoring referees with the basics, and turning them into efficient members.

We now come to the most important member of the team, Jean Welch, Referees Administrator for Central Coast Football. Jean is the conduit between CCF, its clubs and members, to the referees, all 262 of them. Most of her duties deal with unhappy clubs, complaining about referees, and trying to pull referees who are not always doing the right thing with their administrative duties into line. She deserves a medal for pulling this off so well.

Some of our referees are achieving in other spheres. Chris Hughes, nominated to the National Talent Pool, Mikayla Ryan who is continually chosen for National Titles and some of our junior referees who are chosen for state titles. This comes down to their dedication and the guidance of Richard Lorenc. We now have a larger panel of members capable of handling our highest-grade matches and a lot of these referees are younger, bringing down the average age of this panel considerably.

The game coverage by referees was not what we would like throughout the year and this can be put down mainly to so few referees. Central Coast Football draws 95% of their referees from the CCF clubs. These referees cover as many matches as their fitness will allow and this leads to injuries. On most weekends there are only 50 to 60% of our referees

available due to injury, family commitments or just plain tiredness. The only way we can change this is to recruit more referees and make the job attractive by eliminating abuse and respecting referees who are integral to the game of Football. CCF provides exceptional training for new recruits and provides a pathway to further your career in Football, if that is your desire. By becoming a referee, you are helping the game to flourish in our community as well as providing a way of remaining fit and healthy.

Warwick Barwell, Referee’s Manager

CENTRAL COAST UNITED FOOTBALL CLUB

The inaugural season of Central Coast United FC was a very successful year and filled with many exciting moments. We want to thank everyone that supported us throughout the year, your support is something we are extremely proud of and humbled by. The rise of our active support (The Graveyard) at both our home and away games is something that helped drive the teams in each of their games - for this we are very grateful. This year saw Central Coast United consist of SAP teams from U9s - U12s, Association Youth League teams U13s - U16s and our State League Men's Senior teams. Our passion is to provide a pathway for kids on the coast so that they can play football at a representative level. We truly believe that the region contains strong footballers and for this reason we will only ever sign players from the Central Coast.

**CENTRAL COAST UNITED
FOOTBALL CLUB**

Some of our most memorable moments of the year include our game vs Hurstville FC at Central Coast Stadium and playing a friendly against Central Coast Mariners at Pluim Park. These were two experiences that the players will not forget. All youth and senior teams had a successful year with 2/7 teams finishing top of their leagues, 7/7 teams making the finals - with 4 of those going on to win the Grand Final. Our season was not without heartbreak, with us losing the club championship by 1 point to Bankstown United. This was a challenging time for everyone involved with the club but to the credit of the players and coaching staff - they looked to the next challenge of finals and yet again proved themselves.

We are looking forward to 2019 where we will again chase promotion to the National Premier League. We hope to see you all at Pluim Park in the Graveyard!
