Guided by Head Coach and former Central Coast Mariners star, Patrick Zwaanswijk, the Gosford City FC Academy is our clubs brand new development program aimed at improving the core skills of our up and coming Dragons

The rumours are true! Patrick Zwaanswijk has joined Gosford City FC as the Head Coach of the Gosford City FC Academy and is ready to help your child become the best they can be. **Don't miss this great opportunity.**

The Dutchman, who played for 11 seasons in Holland's top flight and coaches at the International Football School, will share his wealth of football knowledge in a 10-week program for kids aged 9-12.

The 10 week program focuses on Football Federation Australia's four core skills, which includes the game's modern techniques. **This is a crucial step in the player pathway to the Mariners and Soccerroos.**

It's free to join the Academy. To be eligible for selection, players must be registered with Gosford City FC. To qualify for the Academy, players must go through a selection process overseen by Patrick Zwaanswijk.
