

TUFC BPL COACHING STAFF & TRIALS ANNOUNCED!

Terrigal United FC is excited to confirm that BPL head coach Martyn Griffiths has signed with TUFC for Season 2020 and welcome back Dan Murace to Reserve Grade.

We welcome to the U21's new coaching staff former TUFC Player Justyn Simonet & Scott Austin.

Delighted to be asked back to remain as TUFC Head coach for the forthcoming 2020 season

Having finished 2nd on the ladder for the previous two seasons Martyn has been in charge, he added, Even though we finished as the 2nd best team in the league for the last two years, we were even closer to the benchmark team Killarney Vale this year and even took maximum points against them home and away. Many would call it a very good season but Martyn was slightly disappointed not to go all the way this year. That's why he's back.

Looking forward to Season 2020, Martyn had this to say

"I've started to recruit players as we speak and will commence two weeks of trials prior to Xmas for players who want to come across and play with good footballers and in the right way and manner. The door is open to everyone here on the coast to come and give it a go. We are heading in the right direction at TUFC and I will always welcome players who want to better themselves and join an already thriving squad."

If you would like to trial or find out more information please contact Martyn on 0401154726 or email mgriffi@talk21.com
