2020 WPL MATCH PREVIEWS

ROUND 2

By Jess Zavolokin

Southern & Ettalong United v Kanwal Rovers

Sliding into round two after a 2-1 win over Woongarra Wildcats, Southern Ettalong can't get too complacent as they face the Rovers after their mighty 4-1 victory against Kariong. Both teams show agility and stamina and it will prove a challenge for either team to outsmart the other in the upcoming match. Kanwal will surely continue making smart scoring opportunities while Southern will continue to focus their pressure forwards. A logical prediction would reveal that this will be a close, hard-fought game for the two teams.

Kariong United v East Gosford Rams

Both teams make their way into the second round of the competition after two game concessions that saw them miss out by a significant margin. Kariong, defeated by 3 points and the Rams by 5 points in the previous round, means that both squads would need to work hard to demand a better hold of the game and create more apt scoring opportunities this weekend.

Woongarra Wildcats v Terrigal United

On their home ground, Woongarra have themselves a tough battle ahead in the form of Terrigal United who have asserted themselves as a force to be reckoned with in the last round. Woongarra would do well to improve upon their marking of players and overall defence if they want an edge over Terrigal United who prove to be very clever with the ball. And it won't be all smooth sailing for Terrigal either, as Woongarra have traditionally been outstanding performers on their own territory.

Gosford City FC v Umina United

The serial champions take on the sublime scorers, Umina United, this weekend. This game may very well be another close one as both teams are expert weavers and class defenders and have each kicked-off the 2020 competition in fine fashion with 9 goals scored between them and a clean sheet to compliment. Gosford City's calm and collected style of play coupled with Umina's agility will make for an exciting game.

Toukley FC v Killarney District

After coming out of round one as the defeated teams, Toukley and Killarney will each have to improve on their initiative when it comes to actioning goals and distributing successful passes. With each week, both teams will surely find their rhythm and produce stunning results to correct their slip-ups of the previous round.
