- “Fixture”

This is the default page for the main public site and is where you can filter fixtures in a competition. Anyone can do this; they do not require an account to do. The only restriction they have by not having a sign-in, is that they cannot use the “Only my favourite teams” option (see below).

To filter fixtures:

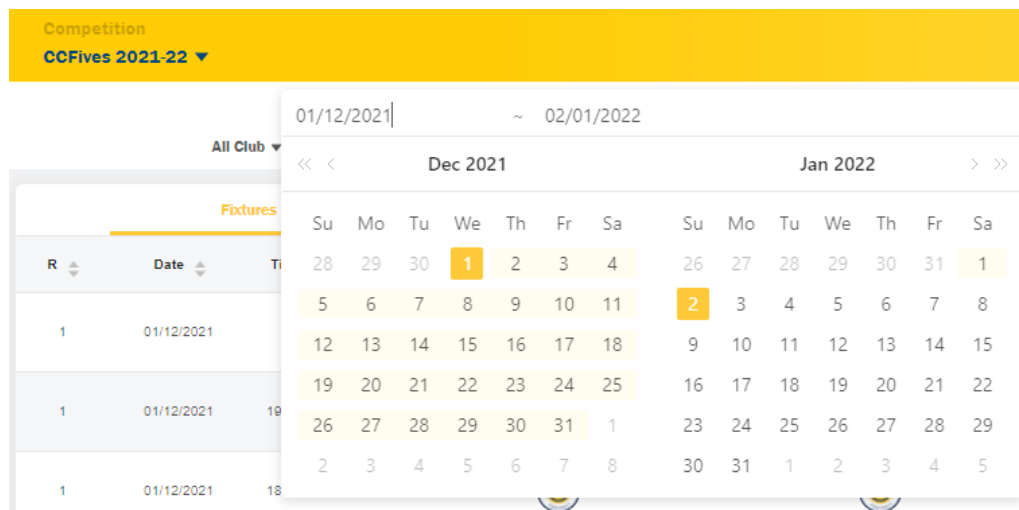

GENERAL – CHECK FIXTURES ON MOBILE APP

1. Choose the CCFives 2021-22 Competition from the dropdown menu

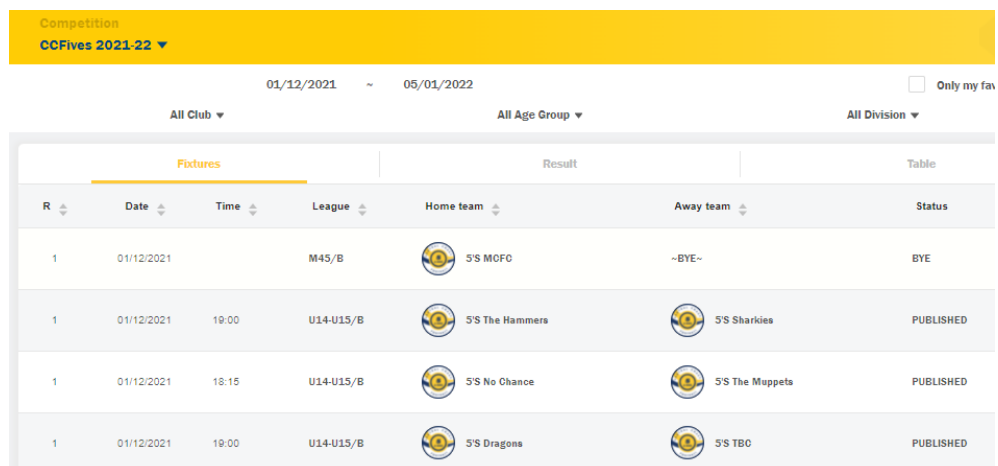

2. Choose the Date range you want.

Click on the Start Date to expose the Calendar picker:

The dates that appear to choose from, are for both the Start and End dates at once. You choose your Start and End dates from this one pop up at the same time.

This will then return all Fixtures in the new date range selected:

NOTE: If your Start and End dates are within the same month, just choose them both from the same month, one after the other – there's no need to go to the right-hand

month and go Back and choose it. The first date you click on will be the Start date, the second date you click will be the End date.

3. Filter the Team’s fixtures you want to see in the selected Date range, by choosing the appropriate Club (CCFIVES) & Age Group of choice

The screenshot shows the mobile app interface for checking fixtures. At the top, there is a yellow header with 'Competition' and 'CCFives 2021-22'. Below this, there are filters for '5's' and 'U9', and a date range from '01/12/2021' to '15/12/2021'. A 'Only my favourite teams' toggle is also visible. The main content is a table with three tabs: 'Fixtures', 'Result', and 'Table'. The 'Fixtures' tab is active, showing a list of matches with columns for Rank (R), Date, Time, League, Home team, Away team, Status, and Field.
