SEASON 2024

## DRIVING GROWTH AND ELEVATING THE GAME

The 2024 season was a transformative year for Central Coast Football, marked by exceptional growth, innovative programs, and enduring resilience in the face of challenges. At the heart of our success lies the unwavering commitment to the football community, reflected in the remarkable achievements across participation, development, and facilities.

## UNPRECEDENTED GROWTH IN PARTICIPATION

This season, our association witnessed record participation levels, underscoring the strength and vibrancy of football on the Central Coast. With **15,821 registered players** taking part in **14,403 games**, we achieved an **11% increase in overall participation**, an outstanding feat in a competitive sporting landscape. Notably, female participation surged by **24%**, fuelled by an all-time record number of **117 all-girls MiniRoos teams**, a testament to our dedication to inclusivity and the future of women's football.

Our efforts to inspire the next generation were evident through the distribution of **2,762 CoastKick Packs**, ensuring young players had the tools to begin their football journeys with confidence. **The Girls Development Program** also flourished, with **299 participants aged 9–12**, while the return of the **Women's Division 1 competition** and the introduction of the **Women's Over-35 competition** highlighted our commitment to creating pathways for players of all ages and abilities.

## REFEREE EXCELLENCE: A LANDMARK ACHIEVEMENT

Referee recruitment and retention have long been a cornerstone of our strategic vision. In 2024, CCF made history by achieving **100% referee coverage** across all games—an unprecedented milestone for any football association. This success was driven by innovative programs, including **Pub Courses, School Holiday Programs, and Cadet Nights**, which provided accessible and engaging pathways into officiating.

Our investment in referee culture and development was exemplified by the establishment of a **High-Performance Mindset**, supported by the **Referee Development Panel** and regular **Panel 1 reviews**. These initiatives not only enhanced the quality of officiating but also fostered a culture of mentorship and recognition, ensuring our referees remain at the forefront of the game.

A special thank you to Luke Dunkerley, Danny Horstead & the Elected Referee Council for their advocacy, support and dedication throughout the 2024 season.

SEASON 2024

## FACILITIES: BUILDING FOR THE FUTURE

CCF is committed to ensuring that the growth of our sport is matched by the quality and availability of the facilities we rely on. In 2024, we took significant steps towards developing a comprehensive **Facilities Strategy and Investment Plan**. This initiative is focused on delivering critical upgrades across council-hired grounds, ensuring that they meet the demands of our expanding football community.

By working closely with local councils, stakeholders, and funding bodies, we aim to secure the long-term viability of these venues, enabling them to support the increasing participation in football while providing safe, modern, and sustainable spaces for players, coaches, and officials to thrive.

Pluim Park, the heart of football on the Central Coast, underwent significant upgrades in 2024, reflecting our commitment to providing industry leading facilities. Key improvements included the installation of **new LED lighting on Field 1**, a **grandstand refurbishment**, and the **revitalisation of our five-a-side courts**. These projects, alongside the dedicated efforts of our maintenance team, have ensured the long-term sustainability of this iconic venue.

Despite weather challenges leading to the cancellation of **1,356 games**, the resilience of our community ensured every Grand Final was proudly played at Pluim Park, showcasing the spirit and determination of Central Coast Football.

## CELEBRATING EXCELLENCE AND COMMUNITY SPIRIT

In 2024, we introduced the **Renaye Isarief Medal** to honour exceptional talent and contributions within our **Women's Premier League**. This addition further enriches our tradition of recognising excellence and inspiring the next generation of players.

The return of the **Margins Cup** and the formation of a **Premier Competitions Committee** have elevated the competitive landscape, while events such as the **North vs South match** and the **Central Coast Select against Central Coast United** fostered local pride and created unforgettable experiences for players and spectators alike.

As we reflect on the successes of 2024, we remain steadfast in our vision for the future. Securing additional funding for critical facility improvements will be paramount to accommodating the growth and evolving needs of our community.

Through continued innovation, engagement, and investment, Central Coast Football is committed to creating an environment where every player, coach, and official can thrive.

The 2024 season was a celebration of progress, collaboration, and passion. Together, we will continue to build on this momentum, ensuring football on the Central Coast remains a source of pride and inspiration for generations to come.

# PREMIER COMPETITIONS REPORT

SEASON 2024

## SCRIBAL PREMIER LEAGUES

2024 marked the second year of a new partnership agreement with Scribal Group International that saw both our premier men's and women's competitions united under the same banner, branded 'Scribal Premier Leagues' to showcase their continued support of football on a local level on the Central Coast.

The Women's Premier League remained a seven-team competition as we said goodbye to the 2022 Grand Finalists Southern & Ettalong and welcomed back Woongarrah to the premier women's competition the Coast has to offer.

The 2024 WPL competition officially got underway during April, but we got a glimpse into how the season would play out in the Association Cup with Terrigal taking home the honours in the Grand Final with an exceptional 6-0 win over East Gosford.

From Round 1 of the winter season, it was evident that Terrigal was in for another spectacular year. Terrigal, led by coach Gab Blanch for the second straight year, started the year the side to beat and carried that momentum with them the whole season to claim back-to-back League Champions with a record of 16 wins, 1 draw and 1 loss.

Terrigal kept their outstanding form into the 2024 Mariners Finals Series where they were the first WPL team to claim a spot in the Grand Final. Second place East Gosford cemented their second straight Grand Final appearance after their preliminary final win would see them look to end their season on a high and repeat last years historic Grand Final win over Terrigal.

For the second straight year, in the final showdown of the season, the two most consistent teams of the year Terrigal and East Gosford would battle for the crown of WPL Premiers.

In an extremely high-level Grand Final contest that showcased the quality of our Women's competition, the deadlock was eventually broken in the first period of extra time. Tahlor Thackray's goal was the only thing that separated the two sides as the treble winners Terrigal prevailed 1-0 over the Rams to claim all three WPL trophies in 2024.

SEASON 2024

## SCRIBAL PREMIER LEAGUES

Our MPL competition in 2024 was one of the closest and most exciting to date. With plenty of player movement in the off-season, Berkeley Vale had the best pre-season, walking away 2024 Association Cup winners after a 2-0 victory over the seven-time MPL Champions Killarney.

The Wombats were picked by many to finish the season on top of the ladder and with one round remaining, Berkeley Vale, Woongarra, and Kanwal all took to the pitch in the final winter season fixture with the chance of being crowned 2024 MPL League Champions.

Despite a poor opening start to the season where the Wildcats were sitting last after the opening three games with zero wins to their name, Woongarra find their form, winning seven straight games to end the year to be crowned 2024 League Champions. A first in CCF history for a team after being promoted from Division 1 the season prior.

Relegation also came down to the final day of the year as we say goodbye to Woy Woy and Avoca in 2025 and welcome Ourimbah and Wyoming back into the top-flight competition.

The 2024 Mariners Finals Series saw Berkeley Vale prevail 7-0 over Woongarra in the Major Semi-Final to solidify their spot in the Grand Final. Woongarra were able to show their quality and overcome that enormous defeat a week later to beat Southern & Ettalong 2-1 to get at shot a redemption against Berkeley Vale in the biggest game of the season.

A more determined and energetic Woongarra took the field for the Grand Final, looking for their inaugural MPL Premiers title. However, it would be Berkeley Vale who reigned supreme over the Wildcats once again, winning 2-1 and claiming their first MPL First Grade Premiership on the club's 50th year anniversary.

# REFEREES REPORT

SEASON 2024

## HISTORIC YEAR WITH 100% COVERAGE

Central Coast Football reached a historic milestone in 2024, achieving the best referee coverage in our history. For the first time, 100% of competition games were officiated by a center referee, setting a new benchmark for Central Coast Football. This achievement was made possible by the dedication of our 330 match officials, an impressive increase of 91 referees from the previous year. Each week these referees selflessly devoted their time week after week.

The return of decorated FNSW NPL referee Danny Horstead in 2024 further elevated the standard of referee education. His contributions were instrumental, particularly for those aspiring to officiate at Central Coast's most elite level. The introduction of video assessments this year allowed referees across all grades to receive detailed feedback on key decisions, fostering growth and learning from every game. The referee's branch appreciates the support of the clubs who made their video recordings available each week.

Central Coast Football proudly welcomed 153 new referees in 2024. Warwick Barwell, returning as Head Coach, led an outstanding team of mentors who guided these new referees through their first season. Warwick and his team's efforts in supporting the education and retention of new referees cannot be overstated, playing a crucial role in developing the next generation of match officials.

The season culminated in the Annual CCF Referee Awards, a celebration of the remarkable contributions and achievements of our referees, from juniors to the Premier League. Congratulations to all our 2024 award winners for their dedication and excellence both on and off the field.
